Zenith™ Vascular

FlexArc™ Micro Guidewire

FDA 510(K) No. K252317

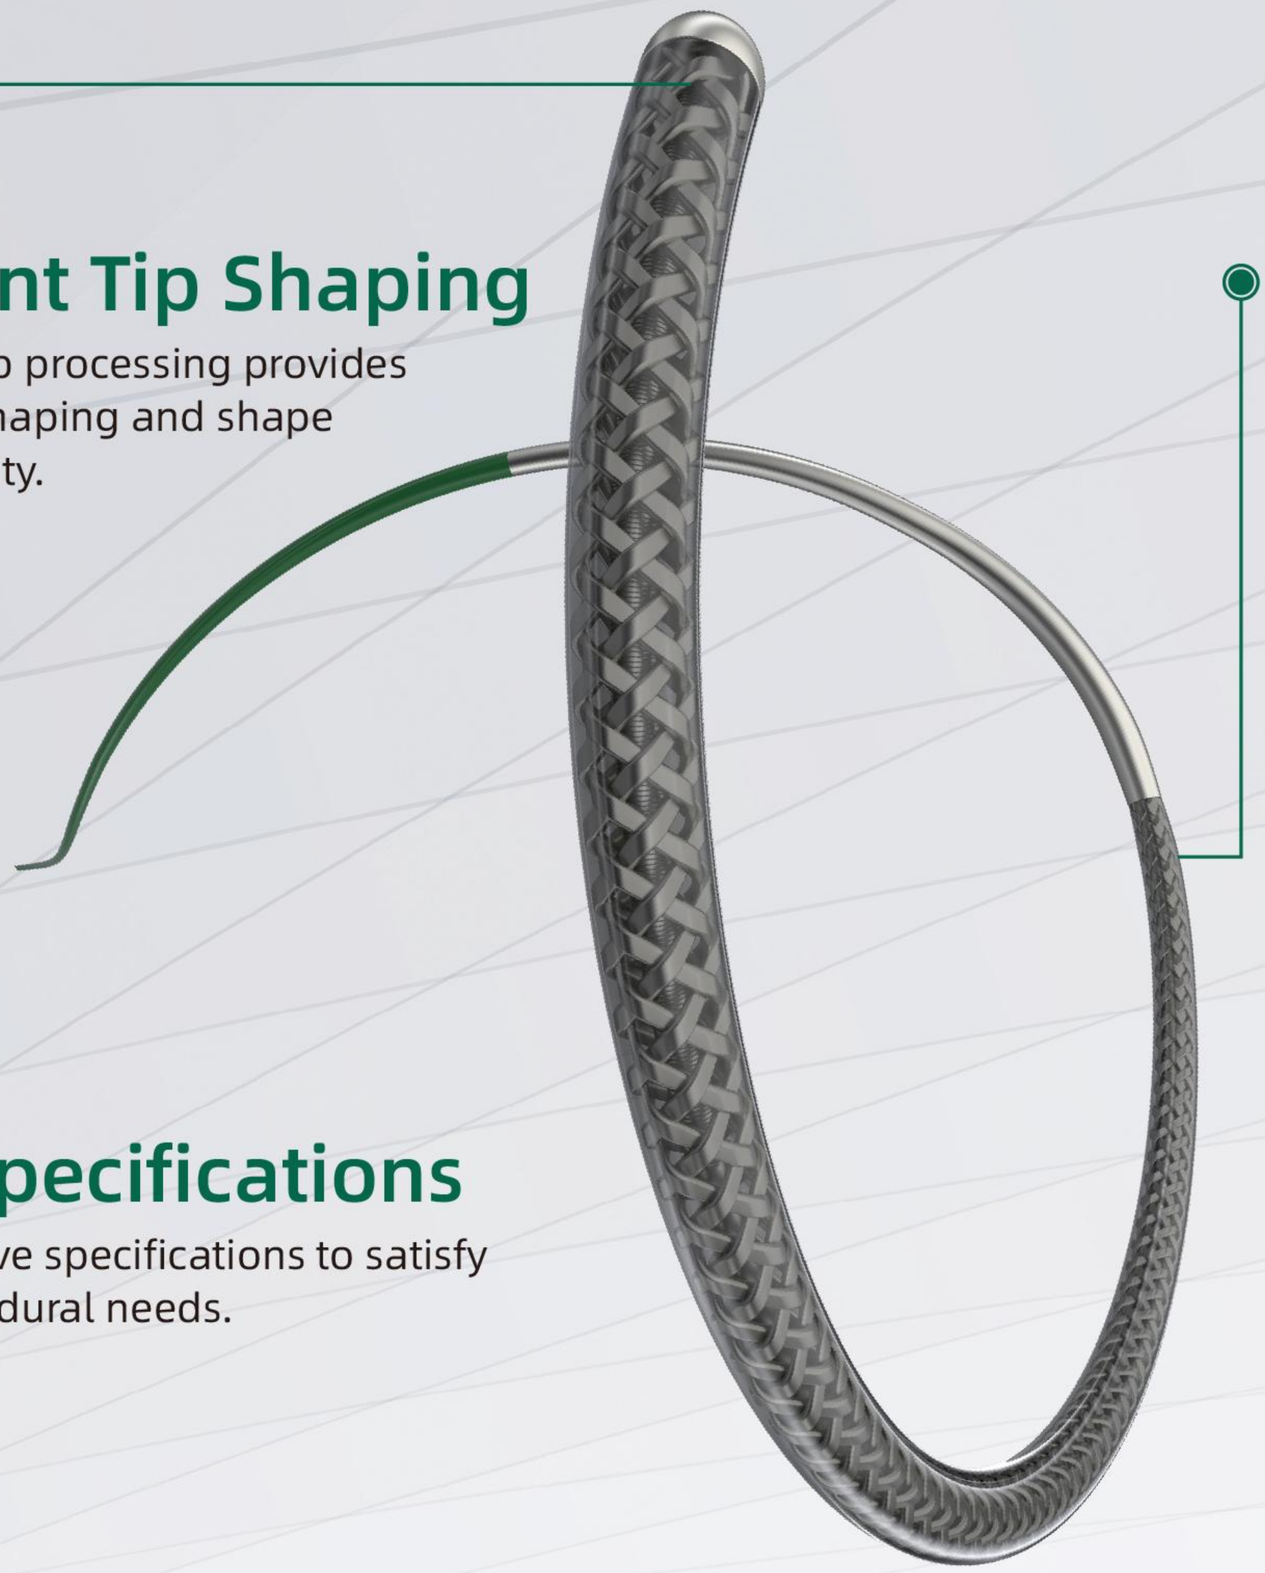

Developing Innovative Technologies To Optimize Vascular Treatment

Zenith™ Vascular

Excellent Tip Shaping

Specialized tip processing provides superior tip shaping and shape retention ability.

1:1 Torque Control

Innovative braided structure design enables precise torque transmission, achieving 1:1 torque control and prevents guidewire fracture.

More Specifications

Comprehensive specifications to satisfy various procedural needs.

Specifications	Distal OD	Proximal OD	Visualization Length	Working Length
202012210	0.012 inch	0.012 inch	85 mm	210 cm
